It also includes any relationships between Staff because of:

- adoption;
- step-family arrangements;
- financial dependence i.e. where one is financially dependent on the other;
- co-residency, in particular Staff living in the same household;
- boyfriend or girlfriend relationship.

xi. Do you have a Close Personal Relationship with any Staff member based on the above?

Yes ☐  
No ☒

If yes, your local Talent Acquisition team will be contacting you to provide the details in the relevant form.

**Declaration: Close Financial Relationships ("CFRs")**

As with the previous disclosure, the purpose of requesting information in the Close Financial Relationships disclosure is to ensure that the Group's recruiting and candidate assessment processes are independent and that any of the Group's Staff who are involved in your assessment are not in a position of conflict and handle these processes in accordance with the Group's internal policies and procedures.

A CFR exists when both of the following are present:

- a. There is a financial relationship. A financial relationship exists between two or more people when a financial benefit\* flows between them.
- b. The financial relationship is close. A financial relationship is close if the relationship exists between two or more members of Staff of the Group.

\*The financial benefit may flow between persons pursuant to a contractual arrangement or informally by action or acknowledgement between individuals. The financial benefit may result from a single transaction or from an ongoing series of transactions over time. Examples include:

#### **Declaration: Politically Exposed Persons ("PEP")**

The purpose of requesting information in the Politically Exposed Persons disclosure is to ensure that the Group complies with all applicable money laundering and anti-bribery and corruption legislation.

A PEP is an individual who has been entrusted with a prominent public function. Examples might include Heads of State or Government; senior politicians and government officials, both elected and appointed (including senior civil servants and diplomats); members of national/federal or state/province legislatures; senior judicial or military officials; important political party officials; and senior executives/directors of state owned corporations, including central banks.

The term "PEP" includes close associates or immediate family members of a PEP:

A close associate includes an individual who has joint control of a legal arrangement or any other close business relations, with a person who is a Politically Exposed Person.

An immediate family member is a spouse; a partner; a parent; a son or daughter and their spouse or partner and their parents.

xiii. Based on the definition above, are you a PEP?

Yes ☐  
No ☒

If yes, please provide below the relevant details and/or attach any relevant documents.

.....  
.....

#### **Declaration: Client and Business Partner Connections**

The purpose of the Client and Business Partner Connections disclosure is to ensure that the Group identifies any actual, potential or perceived conflicts of interest and manages them as applicable and to comply with all applicable anti-bribery and corruption legislation.

A Client Connection/Business Partner Connection is a strong, obvious and direct personal connection by the candidate (excluding distant, removed, or potential connection) to a prospective or existing client or business partner who is an immediate family member of the candidate, including Non Employed Worker (NEW), and where the family member is in a position to confer benefits upon the Group.

This definition also includes where the prospective or existing client or business partner is a corporation and the individual being hired has immediate family members in the corporation and is in a position to confer benefits to the Group.

**Case example 1:** The father of the candidate is a Private Banking client of the Bank and the son has applied for a relationship management role in Private Bank in the same country as his father's account is conducted. The candidate (son) would be expected to self-declare the Client Connection that his father is a Private Bank client.

**Case example 2:** The father of the candidate is Chief Financial Officer of a major corporation and that corporation is a client or major supplier for the Group. In such a case the candidate may legitimately have no knowledge of that business relationship as the information is confidential and the father may not have divulged it. Clearly if the individual was hired and their role was subsequently interacting with the same corporation or involved in dealings with that supplier, or had knowledge of the relationship, it would be reasonable to expect them to declare the client connection. However, if they were not interacting with that corporation and had no knowledge of that client in the Group's portfolio in their role, then it might not be reasonable to expect them to declare an Outside Business Interest (OBI). In each case, the facts would need to be considered in the investigation.

xiv. To the best of your knowledge, do you have prospective or existing client or business partner connections or have any immediate family members who have significant business relationship with the Group or who are employed by any of its regulators?

Yes ☐  
No ☒

If yes, please provide below the relevant details and/or attach any relevant documents.

.....  
.....

#### **Fitness and Propriety**

xv. Are there any other issues, not captured above, that could affect your fitness and propriety?

Yes ☐  
No ☒

If yes, please provide below the relevant details and/or attach any relevant documents.

.....  
.....

Any disclosures made above to the Talent Acquisition team are treated confidentially and will only be shared with other Staff members if it is necessary to ensure your assessment is done on an independent basis or as required by applicable laws and regulations.

I confirm that I have informed **close associates** and **immediate family members** that I have provided information about them to Standard Chartered Bank in connection with this application.

I understand and agree that if any of the above statements prove to be false, inaccurate or incomplete, Group may take all appropriate disciplinary measures in its discretion and may terminate my employment summarily without any notice or any payment in lieu of notice in accordance with applicable

laws and regulations and that such action by the Group will be made without any further compensation or legal liability towards me.
